

Knowledgeable advisors and experienced technicians

Whether you're looking to equip a new construction or replace an existing system, Klimfax has a monobloc unit adapted to your specific needs. In addition to sales, we are also specialists in the installation, service, and maintenance of PTAC systems.

Our thoroughness and attention to detail ensure that your monobloc system is perfectly insulated with a quality finish. Our accessible customer service department and vast inventory allow us to meet all your repair and maintenance needs promptly and properly. Thanks to our expertise, you can avoid the risk of any water-related damage caused by improper installation.

Commercial agreements for multi-dwelling buildings and hotels

Are you a rental building manager or part of a condo owners association? Learn about our programs and commercial agreements for the regular maintenance and monitoring of units, and for replacements or repairs when needed.

Air conditioning / heating systems
PACKAGED TERMINAL AIR CONDITIONERS (PTAC)

Surrounded by comfort

Monobloc air conditioning and heating wall units are perfect for multi-dwelling buildings or hotels. They maintain the desired temperature in every condo unit, apartment, or hotel/motel room.

Remarkable advantages

- Affordable, reliable and durable
- Energy efficient
- Quick installation
- Easy to operate and quiet
- Designed to remain in place in all seasons
- Manufacturer's warranty
- Washable filters for easier maintenance

Upgrade your old monobloc unit

Do you have a monobloc air conditioner or heater that needs to be replaced?

To find the model best suited to your needs:

- 1 Measure the width, height and depth (if possible);
- 2 Make note of the amperage and voltage;
- 3 Take a photo of the unit;
- 4 Request a quote online at klimfax.com/en/get-a-quote or contact one of our team members at 1 855-KLIMFAX.
